

**FEDERAL HOUSING FINANCE AGENCY
OFFICE OF INSPECTOR GENERAL**

**FHFA's Oversight of Contract No. FHF-10-F-0007
with Advanced Technology Systems, Inc.**

AUDIT OBJECTIVE: The overall objective of this performance audit was to determine whether payments on the contractor invoices were properly supported and goods and services conformed to contractual requirements.

Due to the pre-decisional nature of the issues in the report, FHFA-OIG will not release the audit report publicly until FHFA's Contracting Officer has made a final determination with respect to the costs questioned in the audit. FHFA-OIG requested that such determination be made within 90 days of this report's issuance.
