FHFA's Processes for General Support System Component Inventory Need Improvement

Audit Report • AUD-2017-005 • May 25, 2017

The Federal Housing Finance Agency (FHFA) Office of Inspector General issued the subject report on May 25, 2017.

AUDIT OBJECTIVE: We conducted this performance audit to determine whether FHFA has an effective process for managing its inventory of information system components for the FHFA General Support System.

Because information in this report could be used to circumvent FHFA's internal controls, it has not been released publicly.
